DECEMBER 31, 2009

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principal Activity

Friends of Israel Sci-Tech Schools, Inc. (the "Organization") is incorporated in the state of New York as a not-for-profit organization. whose purpose is to fund and support secondary and advanced science and technology education in Israel.

Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Contributions

Contributions received are recorded as unrestricted, temporary restricted, or permanently restricted new assets depending on the existence or nature of any donor restrictions.

Income Taxes

The Organization is exempt from federal income taxes under Section 501(C)(3) of the Internal Revenue Code.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments with an initial maturity of six months or less to be cash equivalents. Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash accounts in financial institutions, which at certain times exceed federally insured limits. The Organization has not experienced any losses in these accounts. The Organization believes it is not exposed to any significant credit risk on these bank accounts.
